Sieva™
Large Panel Wall System

marlite®
your world on a wall

A Surface Systems® Product

Looks that stop traffic.
Great looking Sieva walls stand up to the demands of heavy traffic.

Get on with it.
Pre-engineered reveals make installation a breeze.

Make a clean sweep.
The easy to clean HPL surface is a winner every time.

Remain cool.
Sieva panels have earned multiple fire ratings to meet even the toughest requirements for public spaces.

UL Listed
Class A

Class A

Class C

Beauty endures.

Make a bold statement

Sieva™ Large Panel Wall System is a durable High Pressure Laminate (HPL) wall system using 7/16" thick large sized panels for an easy, stable and secure installation. Four different reveal options and multiple panel sizes and configurations provide the template for artistic wall design, easily and affordably.

Mix colors and patterns for a unique design.

Digitally Printed Graphics and HPL Panels combine to create a durable, yet beautiful wall.
